(Each product can only be registered in one category. However, further products may be registered for different categories.)

4. Registration Documents

The following documents have been provided together with this registration (copied onto CD/DVD or attached as separate enclosure):

- Demo version (e.g. for software)
- Demo film (e.g. for machinery)
- Sketches/drawings of the product
- Illustrations of the product
- Technical data
- References: _____
- Showrooms: _____
- Sample (produced on machine): _____
- Others: _____

Any documentation submitted will only be returned on special request.

- We would like to have any documentation and samples we submit returned to us.

The more detailed and informative the documents submitted are, the easier it is for the jury to gain an accurate impression of your product.

Should the space provided be insufficient, please provide additional information on separate sheet(s). Alternatively, you may send the documents by email to Katharina.Heutgens@reedexpo.de (max. 5 MB) or by fax +49 (0)211/90 191-149. Accepted file formats: .xls, .doc, .jpg, .tiff, .pps, and .gif

Please note the additional details concerning the viscom INNOVATION AWARD 2009 contained in the separate PDF document. Incomplete registration documents will not be considered by the jury!

5. Declaration

As a participant in the INNOVATION AWARD 2009 I hereby affirm that I am the sole owner of the rights to the object submitted and that it is fully at my disposal. In the event of the above declaration proving inaccurate, I hereby undertake to reimburse Reed Exhibitions Deutschland GmbH for any resulting damages and to exempt Reed Exhibitions Deutschland GmbH, on first request, from any damage claims or other claims from third parties.
